Trips can be scheduled by calling between two and ten days before the appointment or trip. The van may arrive up to 15 minutes before or after the scheduled pick-up time. The service is door-to-door, and the driver will escort the passenger to and from the vehicle. Drivers are not allowed to enter residences, and will only go to the main floor lobby area in businesses. Passengers will need to estimate when to schedule the return trip, but they can call the dispatch number if the time needs to change. If the passenger needs to bring someone to assist them, the assistant rides for free. Guests pay the same \$2.50 one-way fare as the passenger.
