

Using the Environmental Collection Center in Fort Worth

*****To use the Center, you must first obtain a voucher. Cost is \$47 per visit and the voucher can be purchased at City Hall. The address is 6800 Forest Hill Drive. Hours of operation are 8:00 a.m. until 6:0 p.m., Monday through Friday. After you have purchased the voucher, you can take your waste to the collection center*****

Collection Center address: 6400 Bridge St.

Collection Center Hours: Thursdays and Fridays from 11 a.m. until 7 p.m.; Saturdays from 9 a.m. until 3 p.m.
Closed on the following days: April 2, 2010; May 29, 2010; July 3, 2010; and Sept. 4, 2010.

You will need to bring a copy of your water bill with the voucher for proof of residency.

**For more information, call the ECC Information Line at 817-392-EASY (3279).
Or visit them online at www.fortworthgov.org/dem.**

What waste is accepted at the Environmental Collection Center?

The ECC accepts unwanted household chemicals, free of charge, from citizens of Forest Hill.

Business and commercial waste is not accepted.

What's Accepted?

Acids, aerosol cans, antifreeze, batteries (all kinds, including car batteries), brake fluid, cooking oil, craft chemicals, degreasers, drain cleaner, fertilizer, fluorescent light bulbs, compact fluorescent light bulbs (CFL's), herbicides, household chemicals, motor oil, paints & stains, paint thinners, pest strips, pesticides, pharmaceuticals, photo chemicals, pool chemicals, oil filters, solvents, transmission fluid and varnish.

What's NOT Accepted?

Ammunition, asbestos, building materials, butane cylinders, electronics, explosives, medical waste, PCBs, propane cylinders, radioactive material, smoke detectors, tires and TVs.

Need More Info?

If you have questions about a specific waste not listed above or call 817-392-EASY (3279) to find out if it's accepted.

Additional instructions for disposing of waste:

If a product is still usable, give it to someone who can use it instead of bringing it for disposal. Bring a recent water bill as proof of residency. If you live in a participating city that requires a voucher, bring a voucher from them as well. Bring liquid paint sorted by type (i.e. latex, oil-based, and lead-based). Keep chemicals in their original containers; place broken or leaking containers in a second container of like material (i.e. glass for corrosives, metal for flammables). If a container has no label and its contents are known, please place a label on the container clearly stating the contents. Do not transport chemicals in the passenger compartment of your vehicle. Put them in the trunk.
