

## Save on Prescription Drugs...

### With our new Prescription Discount Card!

The City of Forest Hill has a new program to offer savings on prescription drugs to residents who are without health insurance, a traditional benefits plan, or have prescriptions that are not covered by insurance.

The **Prescription Discount Card** is made available to residents by the City of Forest Hill in collaboration with the [National League of Cities](#) (NLC) and is made possible through the City of Forest Hill membership in NLC.

The card is **FREE to all City of Forest Hill residents**, regardless of age, income or existing health insurance. By using this card you **may save an average of 20%** off the regular retail price of prescription drugs at participating pharmacies.

To discover the savings and learn more about the program, go to [www.caremark.com/nlc](http://www.caremark.com/nlc) to access the program online and print a card, check drugs prices and locate participating pharmacies.

Residents may also pick up a card at the following locations:

- City Hall, 6800 Forest Hill Drive
- CVS Pharmacy
- Walgreens
- Super 1 Foods
- Sam's Club
- Wal-Mart (on Little Road)

Or for more information, call toll free: 1-888-620-1749.

**This is not insurance. Discounts are only available at participating pharmacies. By using this card, participants agree to pay the entire prescription cost less any applicable discount. Savings may vary by drug and pharmacy.**
