This Permit is granted under Section 15 of Ordinance # 200120 including but not limited to the following attachments, provisions, and conditions. I understand and will abide by the stipulations listed below. I also understand that any violations of the article herein this document shall make this permit null and void.

- Route map attached, reflecting the proposed route through the City of Forest Hill by the applicant which has flagged and/or staked and previously reviewed by the Public Works Director and/or his department.
- Construction drawings reflecting the route as indicated which identifies the following:
 - The side of the street or right-of-way in which the installation is to occur.
 - Station number along each street showing all other streets or highway crossings.
 - Drawing which identify all bores (depths, lengths, and locations) including trenching activity, handholes, manholes, and/or typicals covering these operations as to minimum and maximum depths as required by the Public Works Department.
 - And other information as may be determined by the Public Works Director.
- All underground utilities lines and public facilities (not otherwise located) shall be identified and marked above ground by a local entity that is familiar with the area prior to commencing construction and installation activities.
- The contractor agrees to a Pre-Construction Meeting as may be directed or otherwise required by the Director of Public Works.
- Applicants have met the requirements as specified under Section 5 (Application for Registration) including proof of insurance under Items —6 (a thru j) of City Ordinance #200120.
- Applicant understands and agrees that any changes requested by the applicant after this permit is approved, must be submitted in writing to the Director of Public Works for further handling and/or approval.
- Additional comments and/or requirements may be attached herewith.

This Permit is granted with the distinct and clearly understood agreement by the Applicant that the Rules, Regulations, and Ordinances of the City of Forest Hill, Texas, as provided for by the City Council and interpreted by the City Building Official, will be carried out, or adhered to in every part, manner, and respect.
